A & S Integrated Services Ltd has developed and implemented a quality management system (QMS), which uses ISO 9001:2015 as a framework that allows our organisation to document and improve our practices in order to better satisfy the needs and expectations of our customers, stakeholders and interested parties. Integrated Management System Documentation / Manuals for Integrated Certification Quality, the environment, and health and safety are all unified by the concept of risk. Using three separate management systems within one organization is clearly time-consuming expensive and inefficient. IMS: Integrated Management System; management system that integrates all of an organisation's systems and processes in to one complete framework, enabling an organisation to work as a single unit with unified objectives. IMSM: Integrated Management System Manual, a document detailing the In today's world, an integrated management system (IMS) is a must have in any business. It could be crucial for your success in compliance for QHSE. With that in mind, here at Mango we have created a free IMS manual.
